ATF, CATHEDRAL CITY POLICE TO CONDUCT FEDERAL FIREARMS LICENSEE SEMINAR NEXT MONTH

LOS ANGELES, CA – The Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) and the Cathedral City Police Department will sponsor a training opportunity next month for all federal firearms licensees.

The seminar will be conducted Thursday, June 7, from 1:00–4:00 pm, at the Cathedral City Council Chambers, 68700 Avenida Lalo Guerrero, Cathedral City.

Federal firearms licensees will receive instruction on the completion of ATF Form 4473; the Acquisition and Disposition Record requirements and ATF inspections. ATF industry operations investigators, as well as representatives from the California Department of Justice, will be available to answer any questions.

“Historically, we’ve received very positive feedback from industry members who’ve attended our seminars,” said Earl Kleckley, director of industry operations, ATF Los Angeles Field Division. “Aside from receiving topical information relative to bureau policy and procedures, attendees have an opportunity to raise questions that may be unique to their specific operations.”

Anyone interested in attending the seminar needs to contact the ATF Industry Operations Office at (714) 347-9160 no later than May 25 to place their attendance reservation.
